Harold and Maurine Hicks Endowed Scholarship

Thank you from Luke Falco, Malvern, AR

Words cannot express how grateful I am for the scholarship you have given me. It will most certainly be made the most of and allow me to stay on campus. I plan on making the most of my time here at Ouachita and this scholarship is allowing me to do so. Your impact has made such a difference in my life and I will always be grateful for it. Thank you once again for the incredible financial gift that you have provided me with!

After graduation, I plan on taking my Communications degree in Public Relations. I thoroughly enjoy taking to people and making connections. I also have a plan more specifically to be in the communications director for some organization. I want to help a company grow and spread its brand awareness. I would love to even work for different companies helping each of them to grow, through my Public Relations role.

Our Resident Partners can be found at <https://www.phbclr.com/resident-partners>. Please check them out to see all the exciting community-building and service going on in our space throughout the week.

Prayer Team

As Christians, we are a people who pray. In an effort to help our congregation better be in prayer for one another, we now have a prayer team that will be available during Sunday services. Harriett Phillips, Wes Porter, and Jim Cox would love to pray with you about your joys, struggles, grief, and anything else you would like someone to bring to God on your behalf. Also, prayer cards are available. Please write down your prayer needs and either drop them in the offering plate or give them directly to a member of the prayer team. This is a beautiful opportunity for our church that we now have a dedicated and trustworthy group who will pray with you and for you. I pray that we would each be moved by the Spirit to boldly and humbly ask these folks to pray for us.
